

## CALL FOR PAPERS

### IGU REGIONAL CONFERENCE TEL AVIV, ISRAEL, JULY 12-16, 2010

#### COMMISSION ON LOCAL DEVELOPMENT

The International Geographical Union (IGU) will be holding its Regional Conference in Tel Aviv, Israel, July 12-16, 2010. The IGU Commission on Local Development will be holding a number of sessions during the conference. These sessions are for any person with an interest in, and concern for, Local Development in any of its forms and in any of its sites. The commission of local development provides an international forum for discussing issues related to matters of local and regional development, reorganization of space, agglomeration and de-agglomeration of economic activities, and the role of innovation and entrepreneurship in local development processes. The forthcoming conference is a prime opportunity to debate these issues.

The commission will have also joint sessions with the:

1. Mediterranean Renaissance Program of the IGU (MRP) entitled: "Local development the Mediterranean: opportunities and barriers". Topics in this joint session should relate to Mediterranean countries and regions and their apace-economies.
2. The commission on Marginalization, Globalization, and Regional and Local Responses.

Participants are welcome to submit abstracts relevant to the Commission's theme or for the joint sessions. At the bottom of your abstract, please indicate that your abstract is for presentation during the Commission of Local Development and whether the abstract is for oral or poster presentation. If your abstract is for presentation during the joint sessions, please indicate this as well on your abstract.

Abstracts will be sent for review and authors will be informed in due time whether their abstract/s have been accepted. Inclusion of abstracts in the scientific program and on the Disc of Abstracts is dependent on payment of registration fees.

Abstracts should be submitted online as per the following link
